Memo No. 15/11-2016 HRL (3)

Dated: 22.06.2016

Subject: Posting of promotee PGTs.

The promotee PGTs have been given postings vide orders issued on 17.06.2016.

There are some confusions in the mind of employees:

1. That these promotee PGTs shall remain posted at the given station for the next five years.

Clarification: These teachers shall apply for their transfer as per the new transfer policy through the MIS portal. General transfers are likely to effected very soon.

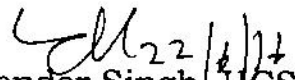

Presently, their posting have been given in a fast process just with the immediate aim of inducting them into PGT cadre, at the same, avoiding apprehension of any litigation which could have halted these essential career progression of these employees.

So, these teachers are advised to promptly join the allotted stations and avoid any potential difficulties.

2. Some Heads of Schools are denying the joining to some of these promotee teachers on the grounds of workload.

Clarification: The present posting have been given on the unrationalised posts.

So, wheresoever a vacant post is available these PGTs shall be allowed to join, irrespective of the workload requirements. As all these teachers would be applying for transfer, so the joining for this temporary phase should not be blocked on any technical reason/pretext whatsoever.
