All District Elementary Education Officers in the State

Memo No. 1-67/2015-IT Cell
Dated 13th July, 2015

Subject: Data completion and data quality management process enforcement for MIS portal

Kindly refer to the subject cited above.

As you are aware, Govt. of Haryana, School Education Department vide letter no. 1/26-2014-IT Cell dated 27.03.2015 has issued detailed order regarding implementation of the Management Information System (MIS). As per the order, all data pertaining to Student admissions along with school definition data is to be uploaded on the MIS Portal by **31st-July-2015**.

In this regard, please note the following:

Completion of School Information Section

As per the letter cited above and a letter dated 24th-June-2015, all schools were required to complete data uploading pertaining to Basic Information, Vision and Mission, Address, Wing and Contact details in the MIS by 30th-June-2015. It has been observed that majority of schools have not uploaded the said data. Hence, concerned **DEOs, DEEOs, BEOs and BEEOs are required to ensure that all schools complete data update for all sections in 'Define School' sub-section within 'School definition' section on the portal before 20th July-2015.**

Filling of non-mandatory fields of students

All DEO, DEEO, BEO, and BEEOs are required to ensure that data for non-mandatory fields within student admissions section is uploaded in respect of students already admitted on the MIS portal. These fields were made non-mandatory only to account for cases where such data was not available at that time. Schools and parents should be instructed to arrange for required information as soon possible to ensure 100% completion of non-mandatory fields also. Proper filling up of these fields will ensure that the data from MIS can be used for multiple purposes, thus enhancing future benefits. **All non-mandatory fields for student admissions should be completed in the MIS latest by 31st-July-2015.** A list of such non-mandatory fields is included in 'Annexure 1' for your reference.

Data quality management

Letter no. 1/26-2014-IT Cell dated 27.03.2015 also detailed out the process for data quality management. In order to ensure that the data updated by schools is accurate and usable for official purposes, the formal process to verify records will now be enforced. All DEO, DEEO,

BEO, and BEEOs are required to complete the following requirements as per the deadlines mentioned.

For Student admissions

School heads are required to submit the 'Students Record Certificate (School Level Report)' as per 'Annexure 2' to the concerned BEEO / BEO after the admissions are complete and data for all enrolled students is updated on the MIS Portal. This certificate should be submitted by the School Heads to BEOs/BEEOs by **31st-July-2015**.

BEOs and BEEOs are responsible to ensure completeness and accuracy of data for their block and submit a 'Students Record Certificate (Block Level Report)' as per 'Annexure 3' to the DEOs and DEEOs latest by **7th-August-2015**. DEOs and DEEOs should further submit the 'Students Record Certificate (Block Level Report)' to the Directorate latest by **14th-August-2015** through email at hrymis@gmail.com. This data update and approval process will be followed every month for student admissions data

For School Definition

Similarly, all DEOs and DEEOs are also required to submit MIS data authenticity certificate for all school definition data as per 'Annexure 4' after review with respective school heads and block officers. Please note that all sections of the school definition must be completed and a certificate should be submitted to ensure completion and accuracy by the DEO/DEEOs by **7th August-2015** to the Directorate.

In case of any discrepancies in the above data, the respective DEO/DEEOs will be liable. The reports on student admissions and school data update status are available in the respective School/block/district login at <http://sch.hryedumis.gov.in/> for your reference.
