NCERT SOURCE BOOK ON SECONDARY LEVEL ASSESSMENT

The NCERT has brought out a [source book](#) on secondary level assessment. The focus of [source book](#), a comprehensive document on assessment at secondary stage would be to emphasize on continuous and comprehensive assessment. Continuity means assessment throughout the session, and making it an integral part of teaching learning process through formal and informal methods. Comprehensiveness means assessment of all areas of learning. This encompasses all aspects of pupils' growth such as intellectual, physical, social personal qualities, interests, attitudes and values. The term comprehensive also means variety of evaluation tools and techniques employed for different learning areas. The CCE is multi-dimensional as it involves multiple techniques and different persons like teacher, pupil, peer, parent and community.

CCE takes care of students pace of learning in all aspects of personality growth with regular periodicity and timely addressing of the problems. The essential principles for a planned scheme of CCE are flexibility, functionality, accountability, and economy. The learning environment such as conditions, persons, and resources, which throw light on pupil's learning, must also be taken into consideration in assessing the students.

All secondary school teachers are required to go through the manual. Trainings on CCE in secondary education shall be carried out over the course of the year 2011-12. It is expected that each secondary and senior secondary level teacher is well versed the NCERT sourcebook on assessment. All are kindly requested to make it convenient to read and more importantly to understand and incorporate the assessment techniques and tools in their teaching practice.
