MEMORANDUM

No. 5/158-2017 HRG 1 (1)

Dated: 03.10.2017

Whereas a news item appeared in today's Dainik Bhaskar research story focusing on the lack of facilities and teachers in the Model Sanskriti Schools functioning in the State of Haryana.

Whereas the Headquarter tried to probe into the veracity of this news item and found that after optimal utilization of the teaching staff available, most of the schools do not have the degree of shortage portrayed in the news item.

And whereas GMSSSS, Sector 55, Faridabad, in particular, does not have any shortage, whatsoever, of teachers. On the contrary, the teachers are more than required in their domain, in that, the teachers do not have full workload of 36 periods.

And whereas the Principals of all schools have been asked to take 12 periods and you have not actually started teaching/taking classes upto that level so far.

And whereas the news item mentions you criticizing the Department even when there is no shortage of teachers in this school. You have been quoted saying that the "officers are paying no attention."

And whereas it has come to the notice that you have not complied with many directions of the department so far, reasons for non compliance are known best to you.

And whereas going to Press without prior permission and then criticizing the department baselessly shows that you have scant regard for the prescribed conduct of a public servant.

Therefore, you are directed to explain as to why the departmental instructions are not being followed by you which stand duly conveyed to you and as to why you have mis-reported the facts to the Press bringing bad light to the Department unnecessarily.

Your reply should reach the Headquarter within three days of receipt of this communication failing which the action as deemed fit shall be initiated and culminated.
